

## Dear Parents and Guardians

We're thrilled to welcome your child to our school meal service.

We are honoured to have the opportunity to support your child's school day by fuelling them with meals that are carefully crafted, delicious and wholesome to support their physical, and mental growth.

### Fresh, Nutritious and Approved by Pupils

Designed to be nutritious, balanced and enjoyable for children of all ages, we offer choices each day to suit different tastes and dietary needs, with an emphasis on:

- **Fresh Ingredients:** We prioritise local and seasonal produce where possible.
- **Balanced Meals:** A balance of proteins, whole grains, fruits, and vegetables.
- **Variety:** Weekly menus rotate to keep things exciting, and we introduce new flavours regularly while also serving familiar favourites.

### Safety and Care

Rest assured, we maintain strict standards of food safety and hygiene, following all government guidelines to ensure every meal is safe and nutritious. Our team are trained to handle allergies and dietary requirements so you can feel confident that your child's needs are met

### Engaging with the Children

We believe food should be fun and educational. We are passionate about engaging children in making healthy choices and encouraging them to try new foods. From time to time, we'll offer themed meals, taste tests and nutrition tips to make the school meal experience enjoyable and inspiring.

Thank you for trusting us to be part of their day

### Communication and Feedback

If you have any questions or specific dietary needs, please don't hesitate to reach out.
